

Welcome to market

1. Sign Up

This is a new and improved site and your previous sign in credentials will not work. Please create a new account.

Enter your:

- **Email**
- **Nickname**(optional)
- **Your username will automatically populate** (you can change it during sign up, but not afterwards)
- **Password**

The border of the data fields will turn green in color once an acceptable entry has been made.

Click the **Next** button

Alternatively, you can click on any of the social media account buttons located on the right hand side of the registration window, and then follow the onscreen instructions to complete the account sign up process.

2. Select Your Ministry

1. Designate the ministry that you choose to support.
2. Enter your
 - o **State,**
 - o **City or Town,**
 - o **Ministry Name.**
3. Click the **Signup** button.

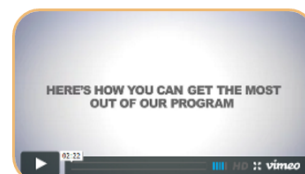

3. Select Preferred Categories

Select the merchant categories that you are most interested in.

You can click **Skip** if you are not interested.

4. Watch the Overview Video

Watch the brief overview video to learn about the features and benefits of UMC Market.

5. Install Support Button

1. Click on the **UMCmarket Support Button**.
2. Follow the on-screen instructions to install the support button on your browser and enable all of the features and benefits of the UMCmarket program

(Remove the older UMCmarket support button from your browser if previously installed.)
